**Dear friends!**

I am glad to invite you to the international competition ‘St.Petersburg Autumn’, which will be held in the Northern capital of our country, St. Petersburg, this autumn!

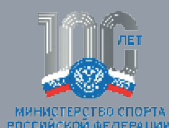

I would like to note that the sports tournaments organised by the Russian Karate Federation are invariably world-class ones. Everyone, from athletes and referees to our incredible fans, notes the quality and safety of sports arenas and admires the festive atmosphere of our events.

Last year, the ‘St. Petersburg Autumn’ tournament was held in an international format for the first time, and we prepared even better this year.

Come to our tournament, so you will have the opportunity to see it in person! We are always glad to see the best athletes on the planet, excited to witness their bright victories and welcome the hot emotions of the fans.

See you in St. Petersburg!

# THE CITY OF ST. PETERSBURG, RUSSIA

**Saint Petersburg**, known as **Petrograd** in 1914-1924 and **Leningrad** in 1924-1991, is the second largest city of Russia, with 5.4 million inhabitants (2020), and the former capital of the Russian Empire. Founded in 1703, it is not ancient, but its historical cityscape is remarkably well-preserved. UNESCO has included the Historic Centre of St Petersburg Related Groups of Monuments to its World Heritage List, including the main urban area of Nevsky Prospekt, its Liteinaya and Admiralteiskaya parts, the Vasilyevsky Island, the Petrograd Side, the Neva River with its embankments, the palace and park ensembles in the city's suburbs – **Pushkin,**

**Pavlovsk, Gatchina, Petrodvorets, Strelna and Lomonosov** – the historical part of Kronstadt, the Oreshek Fortress, the Pulkovo Observatory ensemble and many other landmarks.

St Petersburg is a major international and Russian cultural center known for its magnificent architecture, palaces, and museums. This city is one of the most attractive tourist centers of the world. In addition to its rich collections of works of the past represented in St Petersburg museums, the city has **about 50 art galleries and exhibition halls of contemporary art**. Its cultural heritage invariably attracts large numbers of tourists.

The glory of St Petersburg is in its unique architecture, monuments, museums and theatres such as **the State Hermitage, the State Russian Museum, the Mariinsky Theatre, the Philharmonic, the State University,** and the palace and park ensembles of **Peterhof, Pushkin and Pavlovsk.**
